

Inland Empire VHF Radio Amateurs Net Script

26 Jul 2026

QST, QST, QST. This is Net Control Station <your call> calling together the Inland Empire VHF Radio Amateurs Net. This net meets on this repeater with a negative 600 kHz offset and a 123 Hz tone every Wednesday at 7:30 pm local time. If this repeater is unavailable we will use the alternate repeater 147.34 with a positive 600 kHz offset and a 123 Hz tone. The purpose of this net is to give our members and other amateurs a chance to meet on the air as a group and to exchange information of common interest to all amateur radio. Immediately following the net we will have a Question and Answer net and a Shop and Swap net.

Any station with emergency traffic please break in at any time.

Calling the Inland Empire VHF Radio Amateurs club officials and board members:

President: Jeff NZ2S
Vice President: Dan NV2Z
Secretary: Matt KI7NOO
Treasurer: Sarah KF7SEO
Director: Karl AK2O
Director: Harold AD7QJ
Director: Anthony N7AWP

This is Net Control Station <your call>, my name is <your name>, and I am located in <your location>.

All stations are invited and encouraged to check in. When checking in please give your call sign, your name and location. List your traffic, reports and announcements and hold until after roll call is completed. If you are able to hear someone attempting to check in but not making it into the repeater, please notify Net Control so we may help the station check in after net.

I will now begin the alphabetical roll call. Calling all stations with call sign suffixes beginning with

Alpha through Foxtrot
Golf through Mike
November through Sierra
Tango through Zulu

This is Net Control Station <your call> now calling Echolink stations.

Now calling visiting stations.

Now calling those stations that have listed traffic, reports and announcements beginning with... <Call each station, one at a time.>

Calling late and missed stations
Alpha thru Mike
November thru Zulu

We will now begin a Question and Answer net. Anyone that has a problem or question please call now.

This is Net Control Station <your call>. Anyone that is interested in the Shop and Swap net, please call now.

Last call for anything for the Net.

Good evening and thank you everyone for checking in. This is Net Control Station <your call> closing the Inland Empire VHF Radio Amateurs net. Good night everyone.
